{

"id": 1,

"title": "Sitting at a desk",

"action": "character seated, focused on laptop",

"environment": "cozy workspace with soft window light, plants, notebook, mug",

"time_of_day": "late afternoon",

"weather": "indoors",

"camera": {

"shot_type": "medium shot",

"angle": "slight 45-degree",

"lens": "35mm"

},

"lighting": "soft key from window left, gentle rim light",

"mood": "calm, focused",

"prompt": "A consistent female character sits at a desk, working on a laptop in a cozy workspace. Maintain the same face, hair, and outfit. Clean composition, cinematic realism."

},

{

"id": 2,

"title": "Getting a phone call",

"action": "phone rings, character picks up and reacts",

"environment": "same workspace background for continuity",

"time_of_day": "late afternoon",

"weather": "indoors",

"camera": {

"shot_type": "close-up",

"angle": "eye level",

"lens": "50mm"

```
    },
    "lighting": "soft key with slight specular on cheek",
    "mood": "alert, slightly surprised",
    "prompt": "Same character answers a ringing phone at the desk. Preserve identity and outfit.
    Subtle expression change, cinematic close-up."
  },
  {
    "id": 3,
    "title": "Walking outside",
    "action": "character walking with purpose, holding phone",
    "environment": "urban sidewalk with storefront reflections",
    "time_of_day": "early evening blue hour",
    "weather": "dry, light breeze",
    "camera": {
    "shot_type": "wide shot",
    "angle": "tracking 3/4 view",
    "lens": "24mm"
    },
    "lighting": "ambient street lights beginning to glow",
    "mood": "determined, on the move",
    "prompt": "Same character exits the building and walks along a city sidewalk, holding the
    phone. Keep face and outfit consistent. Cinematic motion sense."
  },
  {
    "id": 4,
    "title": "Standing in the rain",
    "action": "character stops under rain, looking upward, rain droplets visible",
```

"environment": "city street with wet asphalt and reflections",

"time_of_day": "night",

"weather": "rain",

"camera": {

"shot_type": "medium-wide",

"angle": "slightly low angle for drama",

"lens": "35mm"

},

"lighting": "moody backlight creating rim on raindrops, practical neon signs",

"mood": "reflective, dramatic",

"prompt": "Same character stands in the rain on a city street at night. Preserve identity and outfit (now wet). Rain streaks, reflective puddles, cinematic contrast."

}
